

Grace Point Pediatrics Financial Policy

- All copays are due at the time of visit.
- Patients with unmet deductibles or co-insurance plans are required to pay 20% at the time of service for all sick visits.
- We will submit a claim to your insurance company on your behalf. You will be billed according to your insurance plan. Please note, we are contractually required to bill you according to your insurance plan's predetermined rates. We do not determine those rates.
- All bills must be paid within 90 days. After 90 days, patients with outstanding bills may be discharged from our practice.
- If you are unable to pay your balance in full, please contact our office as soon as you receive your bill to set up a payment plan. We are able to bill your credit card in monthly installments using our secure payment portal.
- For patients without insurance coverage we offer a 25% discount if the bill is settled in full at the time of service. The bill must be paid in full at the time of service or a payment plan using a credit card must be established.
